

Destron Fearing™

Official USDA Swine Premises Tags

Compliance with Voluntary National Animal ID System (NAIS)

Front

Tamper Proof
Button

Back

The Swine Premises Tag consists of a Pink tamper-proof button and a Pink visual panel stud. Each tag carries the official US shield, the assigned alpha-numeric seven character PIN (Premises Identification Number), State postal code of the PIN and a notice stating "Unlawful to Remove". Space is also available on the visual panel for producers wanting to include an individual management number.

Purposes

1. Part of NAIS
2. Meet USDA and Pork Industry Standards
3. Improves Traceback Accuracy, Speed, & Efficiency
4. Supports Comprehensive Disease Surveillance Programs

To Implement NAIS Plan Program

1. Tags Must Have Premises ID, Shield, and State
2. PIN of Last Farm Required
3. Tags Must be Applied Prior to Harvest Channel Entry
4. Cull Sows & Boars Required to have PIN Tag
