Introducing the Destron Fearing™

ProGripII™

Universal Tag Applicator

Destron Fearing™

NEW!

The new modified ProGripII™ is designed to apply all Destron Fearing™ RFID identification ear tags as well as our visual tags!

Features Include:

- Wider clip opening for insertion of tags in applicator
- Thicker "Pro Grip" Handle coating for more comfort
- Same Wide Jaw for proper tag application
- Durable Aluminum Cast Construction
- Strong spring return
- Tapered pin for easy release

For use in the application of all Destron Fearing™ visual, tamper evident and electronic tags.
